Overview

FLW Walleye Professional Eric Olson

Get on the water www.getonthewater.com is all about fishing. Eric Olson uses his "3E" approach to help veteran anglers as well as novice and youth anglers across the globe.

Entertaining anglers is a key part of Eric's fishing success. "How can you not have fun fishing?" You will find all sorts of great fishing pictures and videos by checking out his web links. Eric will also keep you entertained with stories from the tournament trail, special appearances, and his dock side notebook.

Eric's *3E Method* is simple: Education, Entertainment, and Energy.

Eric will provide in-depth product information, tips and tricks, walleye specific fishing techniques, and tournament insider knowledge. Eric is sure to include something new for you and your partner.

If you have yet to meet Eric Olson, I encourage you to reach out and connect. You may be fishing together...
